

Financial Staffing

Innovative has become a proven leader in the financial and investment marketplace, often building entire teams in accounting and finance departments.

“We signed an exceptionally large client and were faced with the challenge of expanding our technology and operations teams within a very tight timeframe.

Innovative stepped up to the plate by quickly learning our business and presenting us with qualified candidates within a few short weeks. Their ability to act on our feedback enabled us to refine our hiring profiles and quickly fill critical positions.”

Richard Dion, COO

Placemark Investments, Inc.
