Foundations in Sourcing

At the core of our entire solution suite is our investment and expertise dedicated to the active sourcing process. Since our founding, Innovative has developed and deployed powerful marketing tools, technology and processes that work to support our experienced recruitment team. Whether our customers engage our RPO, Direct Search, or Contract Solutions, our sourcing framework provides the foundation for delivering successful talent pipelines regardless of need.

Skills & Behavioral Assessment

Innovative teams with its customers to develop and utilize pre-screening templates that align with current and desired applicant qualification practices. Our ECLAMS (Environment-Challenge-Location-Advancement-Money-Stability) Assessment helps prospective hires align career goals with customer hiring needs, while our online skills testing helps target specific job experience for accuracy and quality of hire.

Flexible & Uniquely Priced

Our solutions are designed for companies with any hiring process, from our traditional "fee-per-hire" placement services to our RPO (Recruitment Process Outsourcing) Solution that can be hosted monthly.
